Some Reminders

- Next Monday is a holiday, no lecture and discussion.
- Two HWs due next Monday. Please include all parts to get full credits.
- DSP student should contact me ASAP.
- **No need** to include reasoning for T/F questions in **quizzes**. (Yes, I changed my mind).

Some Reminders-Discussion 1

In case you didn't see:

- First quiz on this Friday in discussion sessions. It **may** cover simple syllabus questions, like *when are HWs due?*. Most importantly, please review Wednesday lecture carefully. You are allowed to bring cheat sheets.
- Generally, discussion slides will be posted or updated on my personal website around 8pm that day. Slides will include some partial solutions to the worksheet problems.
- HWs due on every Monday 11:59pm. You have to submit all problems and reasoning to get full credit. (Including the T/F questions!!!)

Worksheet 1: Systems of Linear Equations

Time: 4:15-4:35 (5:15-5:35)

- Please work on problems within your group.
- Every group should write solutions to (at least) one part of the worksheet on the board.
- Do 1.1, 1.2, 2.1, 3.1, 4.1, 5 first. If you have enough time, do the rest of the worksheet.
